VOL. LX: No. 8 REDWOOD CITY, CALIFORNIA SATURDAY, MAY 22, 1920 ESTABLISHED 1859

## FIRE THREATENS BUSINESS BLOCK

A blaze that might have been a serious conflagration started in the Alhambra building on Main street and owned by Charles Josselyn last Monday night at 11:30 o'clock.

The flames which broke out under the stairway in the lower floor was discovered by the nightwatchman.

A short time after the alarm was turned in the fire department responded. Through the efforts of the firemen the flames were overcome and the blaze soon put out.

The store building under the hall is occupied by Alton Dinwoodie and Jack London as a battery station and auto repair shop. They had closed their shop about 6:30 and gone to their rooms and did not hear of the fire until nearly 1 o'clock Tuesday morning. They stated that they could not explain the fire, as they had nothing in the room under the stairs. It is thought to be due to defective wiring. The lower store was badly damaged by fire and water, the stairway was burned through and the walls of the Alhambra hall were badly scorched. It was necessary to fight the fire with three lines of hose, and a great deal of credit is due to the Redwood fire department for checking what might have been a very serious blaze.

The building is insured and the fire adjusters are now busy appraising the loss. It is believed the structure was damaged to the extent of $2000. Dinwoodie was allowed $975 on his supplies and tools. Mr. London had his tools insured for $300. Itis believed his insurance company will allow that su mto him.

### TRUSTEE M. E. RYAN TO PAY $250 FOR STRIKING AN AGED GENTLEMAN

A jury in the superior court rendered late yesterday a verdict in the case of George Bradford against Mark E. Ryan, the mayor of Redwood City, giving judgment to Bradford for $250.

According to the evidence Ryan on November 22, 1918 assaulted Mr. Bradford on Broadway striking him and breaking his jaw. Ryan is 38 while Bradford is 60 years. The defense claimed that a letter sent to Ryan by plaintiff reflecting on his character provoked the quarrel.

Bradford sued for $2522. Bradford formerly conducted the O. K. saloon on Main street. A. Mansfield appeared for Ryan while Bradford was represented by J. E. McCurdy.

### TWO FINE WELLS ON THE BIG SWEENY RANCH

Mrs. R. A. Sweeny Pescia, owner of the Sweeny ranch near town, has just completed the sinking of a second well to a depth of 300 feet. It has a capacity of 1000 gallons a minute. The other well drifted a year ago has a similar capacity. She intends to sink another very soon. The big water supply is used for 350 acres of tomatoes and 50 acres of onions. Mrs. Pescia intends putting out a large acreage in strawberries next year. The Sweeny ranch is one of the most productive farms on the peninsula. With this large water supply it will soon be one of the garden spots of the state.

### THOMAS HARDY WILL SPEAK WEDNESDAY

Under the auspices of the Women's Irish Educational League, Thomas Hardy will address the people of Redwood City in Odd Fellows' hall on Wednesday evening, June 2 on the present prosecution of the Irish people by the English government. Miss Dilon was here on Thursday and arranged for the meeting.

Thomas Hardy was a professor in the Belfast University when he cast has lot with the Sinn Fein movement. He was immediately arrested and thrown into prison where he suffered all sorts of punishment from the English government. All lovers of liberty who desire to learn the true state of affairs in Ireland are invited to come and hear the first hand story of Ireland's persecution.

## A COMPROMISE IN THE COBURN ESTATE

That a compromise of the Loren Coburn will contest is imminent became known this week when Attorneys Cullinhan & Hickey filed in this city a petition by C. H. Widemann to complete a contract for the sale of the real property of the estate for $375,000, in accordance with an option secured by Widemann from Coburn during the latter's lifetime. The first annual account of Widemann, as surviving executor of the Loren Coburn estate, and a petition for partial distribution of the setate also were filed. All these petitions were set for hearing Friday, May 28, when attorneys interested in the estate say the contest may be compromised. The will contest hearing was on Monday continued four weeks.

The account of C. H. Widemann, the surviving executor, shows that the total cash receipts to be $68,-361 and total cash disbursed to be $51,605.56, leaving a cash balance on hand of $16,715.44.

The total credits consisting of the large ranch, money received from rents, sale of lands, etc., amount to $625,586.63. The total amount of claims allowed but not paid is $72,-436.06. Other obligations in course of adjustment amount to $156,267.57 This does not include the Woodman claim of $92,724.39.

### MRS. HENRY WARD BROWN WEDS JAMES HENDERSON

On Monday evening last Mrs. Henry Ward Brown of Colma was united in marriage to James Henderson of Chicago. The ceremony took place at the First Presbyterian church.

The ceremony was performed by the Rev. Dr. McKay in the presence of Mrs. George Rolph, Mrs. William Rolph and Mrs. Charles Stewart.

The pretty bride is the widow of the late Henry Ward Brown for many years the assemblyman for this county. She was active in war work during the European conflict. She had charge of the community center at Menlo Park for two years. Mrs. Henderson has always taken an active part in all the civic affairs of the county.

### CHUTAUQUA TIME IS ALMOST WITH US AGAIN THIS YEAR

On Wednesday evening, May 26, the Chautauqua opens at the old stand in the Sweeny tract. The program is better than ever before. The most interesting feature will be the big debate between representatives of the Republican and Democratic parties on the national issues. The national committees of both the old parties will send able men here to discuss these issues. Senator Fraley of Iowa will be the Republican representative. He is considered the ablest speaker in the state. An equally eloquent man will speak for the Democrats.

### SUPERVISOR THOMPSON WILL TAKE A VACATION

At the last meeting of the board of supervisors Dr. Thompson of Pescadero was given permission to leave the state for aperiod of ten days. The doctor is to take a short vacation.

### ITEMS FROM PESCADERO

A. R. Rease has purchased the corner formerly occupied by Carl J. Coburn. Mr. Rease contemplates erecting a modern garage and service station upon the property. The deed was filed in the recorder's office at Redwood City on Thursday.

Miss Julia McCormick, one of Pescadero's winsome and popular belles spent the week visiting friends in San Francisco.

H. H. Main formerly foreman for C. H. Widemann, has gone to Santa Cruz to become secretary and manager fgor the Chamber of Commerce of that city. He was tendered a farewell reception by the townspeople here before he left.

James McCormick went over to Redwood City to attend a meeting of the directors of the Bank of Italy.

It is generally believed here that the oren Coburn will contest has been settled and that the property will soon be disposed of.

## THE WEEK'S EVENTS IN LOCAL CIRCLES

L. B. Winiger, the painter, has leased a store in the Drew building on Broadway to be used as an office and paint store. Mr. Winiger is doing a thriving business and gives his patrons entire satisfaction.

Th big six-passenger aerial plane of the California Aerial Transport Company left the Redwood City Aviation field yesterday morning at 10 o'clock for Los Anegeles with a full list of pessengers. The big airship is scheduled to leave at that hour for the south on every Monday, Wednesday and Friday and will return on Tuesday, Thursday and Saturday of each week at 3:30 o'clock. Passengers coming from the south take the train here for the city. The company has more business than it can possibly attend to.

The Eagle, a six-passenger aeroplane, flying between Los Angeles and San Francisco, was here Monday on its flight to San Francisco. The pessengers enjoyed the stay very much. The Eagle will stop here on its way to the city three times a week. The run from the south is made in three and a half hours and the price of the ride is just $100. Several from Redwood City are preparing to make the trip.

Mrs. Maria Gerdes, a half sister of Daniel Mullen of this city, passed away at Mayfield last Saturday after a short illness. The deceased had spent her whole life in the south end of the peninsula and was well-known in this section of the state.

A noiseless typewriter was installed in the county clerk's office during the week. It is the first of its kind used in the county. These machines are being installed in all the big offices in New York and San Francisco. They will be used in all offices of any size shortly. They are indespensible for quick work. With these machines conversation may be carried on while the typewriter is operated and the routine business of any office is not disturbed by the click ing. The noiseless has come to stay.

Mr. and Mrs. Walter W. Hilton left yesterday for a three months' journey to Canada. They will motor and have a complete camping outfit. They will travel leisurely stopping at all points of interest en route. They will first go to Petaluma where they will leave Mrs. Hamilton's mother, Mrs. George Winter, who will be the guest of her son there for two weeks. Mr. and Mrs. Hilton expect to cross the Canadian Rockies, enjoying all the inspiring scenery on the way. They are to visit British Columbia before returning. Mrs. Hilton is to write an account of the trip for the Times-Gazette on her return.

The Redwood City Hospital will be taken over on the first of the month by Mrs. Quinn and daughter of Los Gatos who conduct a similar institution there. Mrs. Huling, the proprietor, has erected a neat bungalow at La Honda where she will spend the summer.

## TBIURCIO VASQUEZ APPEARED IN THE TIMES-GAZETTE

The Tiburcio Vasquez story, by Mrs. Fremont Older, running in the San Francisco Call for some weeks past has attracted much attention in this county. Many of the early settlers remember the execution of the noted bandit at San Jose on March 19, 1875. The Times-Gazette in its issue of March 27, 1875, Duncan McPherson of Santa Cruz then editor, gives the following account of the execution. It tallies exactly with the one given by Mrs. Older in her story of this week:

**Tiburcio Vasquez**

"The 19th was a day memorable in the history of San Jose, rendered so by the execution of Tiburcio Vasquez, one of the blackest criminals the world ever saw, and only second in atrocity on this coast to Joaquin Murietta.

Officers were present from all parts of the state, including this county. The streets of San Jose were crowded the entire day. During the afternoon the jail was visited by hundreds but the doomed man they were not allowed to see, with the exception of relatives, officers and reporters.

He ate a hearty breakfast and was in good heart. When the relatives left, at noon, the scene was most sad. For a moment Vasquez broke down and wept. By 12:30 an immense crowd had assembled out side of the jail door, and entrance from the street was impossible at 1 o'clock a door was opened and 400 men ruhsed in, all holding tickets. Thirty minutes Vasquez was lead into the corridor, where the death warrant was read. A jailer led the way to the scaffold, and Vasquez, attended by Father Serda, advanced with a firm step, calmly taking his position on the drop. The priest read a prayer, which the bandit repeated. His arms and legs were pinioned without delay. He himself removed his coat and collar.

Captain Winchel adjusted the rope around his neck. The rope was so tight that the blood rushed to his face. Not a word was said all this time that could be heard by the audience. His lips could be seen to move and it was understood that he requested the officers to make haste. Dressed in a white gown and the black cap adjusted, Sheriff Adams cut the cord that ushered Vasquez into eternity.

The neck was broken. The audience said not a word. All eyes were dry. The Sheriff had well performed his sickening duty and the requirements of the law were fulfilled.

Vasquez was born in Monterey 38 years and eight months ago, measured five feet, four and a half inches in height, and weighed at the time of his execution 138 pounds. He always enjoyed good health. His head measured 22 inches, was small around the chest, but large across the hips.

Professor Fairbanks made a phrenonoligical examination. He found him, mental tempermanent 7; (very large); actively 7, amativeness, 7; acquisitiveness, 7; secretiveness, 7. The degraded love of women was the bane of his life, combined with the desire to acquire and the power to conceal.

### SUPREME COURT REVERSES VERDICT OF LOWER COURT

The supreme court has rendered a decision on the appeal taken by the executors of the estate of Josephine A. Phelps, deceased, from the order made by Judge Buck last year declaring the trust clause in the will null and void. The higher tribunal has reversed the decision. In making the order Judge Buck directed that the property be distributed to the seven heirs. The supreme court has directed that the estate be distributed according to the terms of the will.

### COUNTY BOARD GETS PLANS FOR THE NEW COUNTY HOSPITAL

Last Tuesday morning the jury on awards gathered at the court house and after considerable deliberation selceted the plans of W. H. Toepke, of San Mateo, for the new county hospital to be built at Beresford.

The jury was composed of Dr. R. G. Broderick, county physician of Alameda county; Dr. Allen F. Gillihan, California State Board of Health; J. B. Leonard, consulting engineer; Architect F. H. Meyer, selected by the three competing architects; B. H. H. Pendleton, State Board of Health; John MacBain, chairman of the San Mateo county Board of Supervisors and Dr. Wood H. Baker, county physician. The latter two had no vote in the award.

Three plans were submitted, one by Toepke, one by Will D. Shea and the third by Ernest Norberg. Each was sent in without name or any mark accompanied by a sealed envelope containing the name of the competitor. This envelope was opened after the award had been made by the jury by number. Toepke's plans were marked No. 3. The competition was limited to architects who were boni fide residents of the county.

Toepke's prize will be a commission of 6 per cent on the cost of the building which was tentatively estimated at $200,000. Plans No. 1, which were those of Will D. Shea, received second prize, $500, while plans No. 2, those of Ernest Norberg, were given third prize, $400.

The board of supervisors will order the work commenced at on early date. The structure is to be erected on the site at Beresford purchased some time ago from K. O'Grady. The hospital, which will be the most modern of any in the state, will cost in the neighborhood of $150,000. The site consisting of 20 acres cost the county $20,000.

### D. L. WALTER TO WED MRS. MAY I. MONGES

Business associates of Dave L. Walter of this city and scores of friends are showering congratulations on the well-known realtor, news of his engagement to Mrs. May I. Monges of Atherton, having reached here. The wedding according to those in possession of the details of the engagement, will take place in June.

Mrs. Monges has for a number of years resided at Atherton on Fair Oaks Lane, and has a host of friends among the peninsula residents. A matron pleasing and charming personality, and all her friends will be greatly pleased to learn of her approaching wedding. Mrs. Monges is a daughter of the late Mr. and Mrs. W. H. Roden, a pioneer family well known in San Francisco as well as on the peninsula.

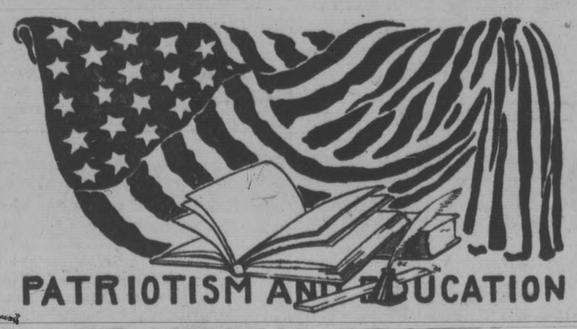
Walter is the younger member of the real estate firm of Lambert and Walter, and is one of the peninsula's most prominent and successful business men.

Upon their return from their honey moon they will reside in Atherton.

### REDWOOD REALTY BOOMING

There is a demand for Redwood City real estate at present and local brokers are kept busy making transactions. Here are a few recent sales made by Robert Letts:

Home on Jefferson street to Mr. and Mrs. Swafford of San Francisco; five acres on Roosevelt avenue to T. Tormey of San Francisco; Stein place at Atherton to Mrs. Sherman; Lindeman house on highway to J. Guera, Mrs. W. B. Curran house on Arguello street, also lot owned by Hall C. Ross and two lots owned by L. A. Heiner in Redwood Highlands to San Francisco parties. Mr. Letts predicts an increasing boom and says that buyers are just beginning to wake up to the fact that Redwood City is the right place to live. If you have any property to sell list it with him at his office opposite the Southern Pacific depot.



## BRAINS VS. BRAWN

It's a queer old world we are living in—
(I know it's the only world we've got)
It's a great old world if you happen to win
In the game at hand that collects the pot.

For the teacher who is chosen to instruct the growing young
You know how large his pay is and how off his fame is sung;
When he or she collects enough to pay for food and rent
You know about how long it takes to blow the final cent;
They almost make enough to live, amid the daily strain,
By seeing that our youngsters learn the way to use a brain
The husky with an uppercut who swings upon his foe,
Who knows the way to feint and jab and lay a rival low
Who has the knack of cracking jaws and starting lusty cheers
Will get more in a single scrap than teachers get in years;
One lusty crack upon the chin will gather in more gold
Than twenty-seven teachers ever hope to have or hold.

Of course there is a reason, but I often wonder why
The entry with an uppercut, or eke the batting eye—
The strudy son of Poland who can twist a Turkish leg,
(And we'll include the movie star who deftly casts an egg)
Should gather in—not part of it, for which there's much excuse—
But very nearly all the dough that happens to be loose?
Can it be that the human brain, so scrambled up of late
Is just an over-rated lump that's skidding out of date?
Or would the world be better oc if those who ought to think
In halls of state or otherwise now poised upon the brink,
Should get-well say a third as much from out the yearly pot
As those who jab and uppercut and know the way to swat?

—NewYorkTribune.

### W. O. W. DISTRICT CONVENTION HELD IN REDWOOD WEDNESDAY

About 200 delegates and visitors were present at the convention of the Eighth District of Woodmen of the World Wednesday. The meeting was called to order at Foresters' hall at 10 o'clock and after preliminary business was arranged the whole party took an automobile drive. The route chosen was to the northern part of the city, then south through Menlo Park, back to the highway and to the grounds of Stanford University by way of Menlo Heights. For half an hour of so the visitors lingered in the memorial church, then started out again, traversing Palo Alto, Runnymede, the Flood country place and then to Redwood City.

It was a trip that filled the visitors with enthusiasm. A banquet was held at Tony's and then the real work work of the session was taken up. Delegates to the State Camp were elected and resolutions adopted of special interest to the members of the order. The visitors were delighted with their reception here and were profuse in their expression of appreciation.

The convention which was composed of delegates from the coast counties selected ten delegates and ten alternates to the State Convention which meets in Yosemite Valley in June. Miles Sharkey, of this city, was chosen as an alternate.

### THE PAY OF TEACHERS

The trustees of Sequoia Union high school at Redwood City have announced nicreases in salaries of their teachers for the coming year. The male teachers will receive $2400 a year and the women from $1800 to $2000. No doubt some will ask why the men are to receive more pay than the women, but it should be remembered that most male teachers are heads of families, while a large majority of women teachers are single. In fact, investigation would probably show that three out of four women teachers are unmarried and live at home with their parents.

It is a stubborn fact that school teachers are not paid enough to live decently. Tens of thousands have left the service and many schools are without sufficient teachers, yet practically nothing has been done to remedy the evil of inadequate wages. Increases have been secured by almost every other class of employes, but the pay of teachers has been kept years behind the advances in the cost of living.—News-Leader.

### ROCKEFELLER WILL GIVE TO INTER-CHURCH WORK $500,000

John D. Rockefeller has announced that he will double his previous gift of $250,000 to the Inter-Church Work, making a total of $6,500,000 given by the Rockefeller family to the citizens' fund of the Inter-Church Work and the Baptist World Movement. We can now see why gasoline is so high. Rockefeller is making those who take their Sunday joy rides pay for the contributions he and the Rockefeller family are making to the church work. It is no use trying to escape. Better go to church and pay the minister in the regular manner than to ride in a shiny flivver and growl about the price of gasoline, leaving the preacher to deliver to empty pews a sermon that you ought to hear.

### TURKS HAVE RECEIVED THEIR PEACE TREATY

The Turkish delegates have received the treaty prepared for them at the Peace Conference. It was presented at Paris, on May 11th, and they will have a month to digest it and present any objections they may have. It may not be exactly to their liking, but it was not made for the purpose of gratifying their desires, although it comes nearer to that than the future peace of the world will warrant. It provides for the opening of the Dardanelles and Bosporus, in time of peace and war; also for an American membership upon the Commission of Control, if the United States so desires, the other members being France, Great Britain, Japan, Italy, Greece and Roumania, and possibly Bulgaria, after they have been received into the League of Nations. The United States, France, Italy, Great Britain, Japan and Russia have each two votes on the Commission. The others have one each. HOW TO READ YOUR GAS METER

If you will look at your gas meter, you will notice three dials. That on the left hand, marked 100 thousand, registers 10,000 cubic feet of gas from one figure to the next. The middle dial, marked 10 thousand. registers 1,000 cubic feet from one figure to the next. The dial on the right, marked 1 thousand, registers 100 cubic feet from one figure to the next.

In reading, note the direction in which the pointers move, as indicated by the arrows, and set down the reading from LEFT to RIGHT, using the figure that the hand has last passed, unless the hand just covers the figure.

Suppose, for instance, that the pointer on the left hand dial rests nearest the figure , that on the middle dial nearest 3, and that on the right hand dial nearest 2; the whole reading, then, is 53,200 cubic feet And that represents the total consumption of gas registered by that meter. Now, subtract from that the toal amount registered at last month's reading and you have your consumption of gas for the month. Apply the rate per 1000 cubic feet and you know the amount of your gas bill.

TRY READING YOUR OWN METER. You will find it is very easy to take periodic readings and keep a check on your gas consumption.

Should the Company's meter-reader make an error and over-read or under-read your meter, the misreading will automatically correct itself the following month and your next bill will be correspondingly less, or more, and no real injustice done to either the consumer or the Company.

# SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

Mr. Otto Praeger, second assistant postmaster general in charge of aerial mail service and Mr. John A. Nordan, superintendent of construction were the guests of Major J. Paulding Edwards at his airplane plant here one day last week.

Major Edwards was formerly connected with the aerial mail service in the east and assisted in inaugurating the service between New York and Chicago. It is not known what the visit of these gentlemen means at this time but it occurs to the writer that San Carlos would make an ideal base for the aerial mail service between New York and San Francisco which is to be established about September first of this year. Because of its climatic conditions we are of the opinion that San Francisco would not be practical as the western terminus of the aerial line. Since his return from army service Major Edwards has been awaiting a favorable opportunity to restore aviation activities at San Carlos and every one wishes him success in this connection He has tenaciously maintained his aeronautical interests in the face of many discouragements. He is one of the pioneers in aeronautics on this coast and has had the vision to foresee the wonderful developments which are now taking place.

Chas. E. Stark has returned to his work with the Spreckles sugar company after a two weeks' vacation on his chicken and vegetable ranch here.

Mr. and Mrs. Chas. H. Smith are here for a fortnight's visit at the home of Mrs. N. T. Smith. Mr. Smith was for many years cashier of the Southern Pacific company during the administration of his uncle, the late Captain N. T. Smith, as treasurer for the company.

We were agreeably surprised when Captain Oscar Liebeskind with a delegation of 165 people dropped in on us last Sunday morning en route to San Jose. Many of the people of San Carlos will recall Oscar as a manly little fellow of 12 years when he lived here with his mother and his three bright little sisters about 12 years ago. Oscar is Captain of the San Francisco baseball team of the American Can Company, who with the officers and other employes of the company were on their way to the garden city to whale the stuffin out of the San Jose team organized from the employes of the same company at their branch in San Jose. It required five rubber-neck cars and two or three autos to take the delegation of ruters and fans along with the team. Oscar served with Company K 161st Infantry at the front during the World War when they were fighting at Soul Sector.

Miss Anita Cerf of San Francisco was a week-end guest at the home of her friend, Mrs. W. H. Foote.

Mr. L. Finnerman special officer for the S. P. Co. was here last Monday to make investigation and endeavor to arrive at the motive of the party to enter the station building through an up-stair window. As nothing of value was taken, in so far as can be determined at this time, it is thought very propable that the party was endeavoring to intercept some letter in the post office that contained information which he desired. The postmaster had a similar experience about eighteen months ago, when only the outgoing mail was taken and $100 each in postage and war savings stamps were left untouched.

Mr. and Mrs. Woodrow Campbell of San Francisco were dinner guests of Mr. and Mrs. Robt. J. Winter last Sunday.

Within the next few days Mr. and Mrs. Chas. B. Marvin will leave for a trip to Omaha, Minneapolis and Chicago and other cities en route where Mr. Marvin goes to look after business interests in connection with ranch properties he controls in the middle west.

Mrs. Lida Medafino and her sister, Miss Vevie Hall were after dance guests at the home of Mrs. D. L. Stewart, returning to their home at Redwood City Sunday morning.

Those from out of town who attended the Legion dance and who were dinner guests of the Lester A. Conklins were: Mr. and Mrs. Geo. E. Binnett of Palo Alto; Mr. and Mrs. Anson S. Peterson of Burlingame; Miss Carrel Petersen and Miss Geraldine Bratton of Oakland and Miss Nyda Lampkin and Mr. Frank Haydock of Redwood City.

Mrs. Murial Clark Fisher came down from San Francisco last Friday to be with her mother, Mrsfi R. P. Hurlbut who is suffering from a slight stroke of paralysis.

# SUPERVISORS HOLD BUSY SESSION

The board of supervisors met in regular session Monday, May 17, 1920, at 10 o'clock, there being present Chairman John MacBain, presiding; T. L. Hickey, Mrs. Rosalie M. Brown and Dr. C. V. Thompson. Absent, Supervisor Jos. M. Francis.

District Attorney Swart, in compliance with a request of the supervisors, submitted a written report relative to Arroyo avenue in San Carlos, which matter was before the board in a petition filed by the Mercantile Trust company of San Francisco, asking that certain obstructions placed thereon by Fred W. Lippman in the shape of a fence be removed.

In the opinion, the district attorney stated that the original map of the Town of San Carlos was recorded on September 4, 1888, and an amended map on October 7, 1912. In both these maps a number of streets were expressly designated as being dedicated to the public, but no mention was made of Arroyo avenue. As far as the evidence goes, the opinion recites, the board of supervisors never accepted either expressly or by act the avenue in question before the filing of the amended map in 1912. On the map of 1912, a number of streets were again designated as public streets and by resolution adopted by the board these streets so designated were accepted as public streets. Aroyo avenue was not expressly designated, nor was it expressly accepted. Furthermore, the opinion states, as far as the evidence goes, the avenue was never used as a public street and was never by any act of the board of supervisors accepted as such. Under these facts, therefore, the district attorney stated that the street is not subject to he jurisdiction of the supervisors.

Acting on the above opinion that the supervisors had no jurisdiction in the matter, the board, on motion of Hickey, seconded by MacBain, denied the petition of the Mercantile Trust Company, asking for the removal of the obstruction on the street

Following this, R. F. Chilcott, representing the above company, asked the board to take action regarding the petition that had been filed by Mrs. Fred W. Lippman and signed by a number of residents of San Carlos, protesting against the opening of Arroyo avenue, between Chestnut street and the State Highway, unless the entire thoroughfare was opened.

The board, on motion of Hickey, seconded by Thompson, took the same action with regard to this petition as on the other petition.

Dr. W. T. Harrison of the U. S. Public Health Service, appeared before the board and asked that the appropriation made by the supervisors six months ago of $140 for taking care of the transportation expenses of the four field deputies employed b ythe Government in the campaign against the ground squirrels of the county be continued.

The resuest was granted, on motion of Hickey, seconded by Thompson.

A resolution prepared by District Attorney Swart and favoring the establishment and construction of a State Exposition building in the City of Oakland, wherein a permanent exhibit of San Mateo county can be maintained and urging the legislative representatives of the county and the district to use their influence in behalf of such a project, was adopted by the board, on motion of Thompson seconded by Mrs. Brown, Mrs. Nash, the Clerk, was directed to send a copy of the resolution adopted, to Mayor Davies of the City of Oakland.

At the request of Supervisor Mrs. Brown, and on her motion, seconded by Hickey, County Surveyor George A. Kneese was directed to investigate the circumstances regarding the proper width of Holly street in the town of San Carlos and make a report thereon at the next meeting of the board.

E. W. Florence, district manager of the Pacific Gas and Electric Company, appeared before the board and asked that permission be granted the company to remove a light at the corner of Harrison avenue and the old county road at Beresford from the east side of the right-of-way of the Southern Pacific Company, to the west side.

The request was granted on motion of Mrs. Brown seconded by Hickey.

The application of M. S. Morton Company of San Mateo, heretofore submitted, for a junk peddlers license was granted, on motion of Hickey, seconded by Thompson, the same having been approved by the district attorney and the sheriff.

On motion of Hickey, seconded by Mrs. Brown, the sum of $2,000 was ordered transferred from the Third district special road fund to the First road district fund.

On motion of Thompson, seconded by Hickey, the claim of Charles Steele for salary as traffic officer from January 21 to January 30, 1920, was ordered canceled.

A check in the sum of $40 was received from County Purchasing Agent Ernest L. Werder, covering the sale of a typewriter used in the office of County Recorder T. C. Rice, to Redwood City Post, No. 105, American Legion.

The regular monthly statement showing a balance in the treasury of $249,328, was received and ordered filed.

A communication was received from the committee in charge of the recent May Day celebration held in Redwood City expressing the thanks and appreciation of the committee for the splendid co-operation of the supervisors in making the affair the grand success it was.

A communication was received from Redwood City Post, No. 105, enclosing a copy of a resolution adopted by that organization at its last meeting whereby it went on record as favoring an adequate salary for all school teachers. The communication was received and ordered filed.

A communication was received from the San Mateo Preservation League, calling attention to a meeting to be held in Redwood City on Saturday, June 5, in connection with the fight to be carried on by the League against the proposed annexation of San Mateo County to San Francisco, asking the board to appoint a committee to represent the board at the meeting.

On motion of Hickey, seconded by Mrs. Brown, the chairman was authorized to appoint such a committee, whereupon Chairman MacBain named the entire board, together with District Attorney Swart.

A communication was received from E. L. Norberg, Will H. Toepke and W. D. Shea, the three architects, who had submitted plans for the new county hospital, in which they advised the board that they had selected Frederick H. Meyer as architect member of the jury to judge the plans submitted in said competition.

District Attorney Swart addressed the board relative to the proposed ordinance regulating the appointment salaries and legal jurisdiction of the traffic officers for San Mateo county. After discussing the matter for considerable length with the supervisors, the district attorney stated that he would prepare a skeleton ordinance and submitted the same to the board for consideration.

# JAPAN'S CHILD LABOR WORKS A 16-HOUR DAY

**Nearly Third of Nations Two Million Operatives are Women and Girls — Discontent Is Growing Among Them.**

Cherry blossoms and snow-capped mountains mean little to these baby laborers of picturesque Japan. For sixteen hours a day they stand at their machines, with only one or two rest days a month. Their homes are the factory dormitories, and after two years many of them contract tuberculosis or other diseases which compel them to give up work.

Six hundred thousand of Japan's 2,000,000 operatives are women and girls, and some 300,000 are from ten to eighteen years of age. This is one of the reasons why the Interchurch World Movement has mapped out an educational program which, during the next five years, will help the Japanese government solve some of its problems.

The cost of living in Tokyo is greater than in New York or London. There are frequent strikes, and increased suffering and discontent mark Nippon's industrial world. Working hours are excessive.

The Protestant churches which are cooperating in the new world program believe that one way of working for the children is to enlarge the churches' educational program. A part of this project, too great for any single denomination, is the establishment of a Japanese Christian university.

### THE PAY OF TEACHERS

The trustees of Sequoia Union high school at Redwood City have announced nicreases in salaries of their teachers for the coming year. The male teachers will receive $2400 a year and the women from $1800 to $2000. No doubt some will ask why the men are to receive more pay than the women, but it should be remembered that most male teachers are heads of families, while a large majority of women teachers are single. In fact, investigation would probably show that three out of four women teachers are unmarried and live at home with their parents.

It is a stubborn fact that school teachers are not paid enough to live decently. Tens of thousands have left the service and many schools are without sufficient teachers, yet practically nothing has been done to remedy the evil of inadequate wages. Increases have been secured by almost every other class of employes, but the pay of teachers has been kept years behind the advances in the cost of living.—News-Leader.

### ROCKEFELLER WILL GIVE TO INTER-CHURCH WORK $500,000

John D. Rockefeller has announced that he will double his previous gift of $250,000 to the Inter-Church Work, making a total of $6,500,000 given by the Rockefeller family to the citizens' fund of the Inter-Church Work and the Baptist World Movement. We can now see why gasoline is so high. Rockefeller is making those who take their Sunday joy rides pay for the contributions he and the Rockefeller family are making to the church work. It is no use trying to escape. Better go to church and pay the minister in the regular manner than to ride in a shiny flivver and growl about the price of gasoline, leaving the preacher to deliver to empty pews a sermon that you ought to hear.

### TURKS HAVE RECEIVED THEIR PEACE TREATY

The Turkish delegates have received the treaty prepared for them at the Peace Conference. It was presented at Paris, on May 11th, and they will have a month to digest it and present any objections they may have. It may not be exactly to their liking, but it was not made for the purpose of gratifying their desires, although it comes nearer to that than the future peace of the world will warrant. It provides for the opening of the Dardanelles and Bosporus, in time of peace and war; also for an American membership upon the Commission of Control, if the United States so desires, the other members being France, Great Britain, Japan, Italy, Greece and Roumania, and possibly Bulgaria, after they have been received into the League of Nations. The United States, France, Italy, Great Britain, Japan and Russia have each two votes on the Commission. The others have one each. The Turks are to recognize the independence of Armenia, and agree to United States arbitration in regard to the frontier.

### TWO NEGROES APPOINTED BISHOPS OF METHODISTS

At the General Conference of Methodist Churches at Desmoines it was decided to elect two negroe bishops to preside over the churches of their race.

### MONEY FOR WOMANS' SUFFRAGE WAS WELL SPENT

Supposing the campaign for the Womans Suffrage Amendment has cost $93,599.75. It is worth it; but it would have cost considerably less had not the hard-headed opponents to the bill fought so hard against it. Just because they failed to interpret "the hand-writing upon the wall," they may now dig down and pay the assessments that their wives nd daughters will make against them to foot the bill. Hard luck, isn't it?

The United States, notwithstanding, its exclusion laws, holds the largest colony of Japanese of any country in the world. There are 130,000 in America, 110,000 in Hawaii, and only 59,000 in China, 31,000 in Brazil, and 70,000 in all other countries, outside of Japan. The stars and stripes float over more Japanese today than the flags of all other countries, except their own. When Commodore Perry made a treaty with Japan in 1854, he started something.

Nothwithstanding the fact that the prices of farm machinery are high the manufacturers are busier than ever before, and the sales are greater; but as the consumers are paying the bills the farmers do not mind the cost, so long as their balance is on the right side of the ledger.

The headquarters of the United States warships, during the Mexican trouble, will be at Key West. Carranza's headquarters will be "galley west."

The United States may have been fighting only the Imperial German government, but there are thousands, not included within that royal bunch, who were fighting us, even within the borders of the United States.

There is a prospect of bumper wheat crop in France, this season. More than 12,350,000 acres have been sowed to wheat, and the yield should be about 26,000,000 bushels. France will need to import very little if any wheat the coming year.

The judges of the higher courts, who are asking the Massachusetts legislature to raise their salaries $1000, now receive $9000 and $11,000, respectively, and claim they cannot live upon it in a manner befitting the dignity of their office. ## A FEW FACTS REGARDING FENOSOTE PREPARATIONS

They reduce Fever and destroy the development of the Poisons of Germ Diseases

THREE PRODUCTS ARE MANUFACTURED

Fenosote EUMLSION in half-pint bottles.
Fenosote CAPSULES in boxes of 32 doses.
Fenosote OINTMENT in jars of 2 ounces.

Hundreds of people have endorsed these remedies, among them many physicians of note, nurses and convent Sisters, in addition to those who have been cured of their ailments through the use of Fenosote preparations.

FENOSOTE CAPSULES

Are for adults only, 1 capsule 3 times a day prevents in almost all cases the infection of such contagious diseases as Spanish Influenza, and should be given in preference over FENOSOTE EMULSION if there is much sickness at the stomach.

FENOSOTE EMULSION

IS USED for both children and adults, 2 teaspoonsful of the emulsion are equal in strength to 1 capsule.

The EMULSION and CAPSULES are indicated in all feverish and painful conditions of the system, such as: Influenza, Pneumonia, Bronchitis, Blood Poisoning, Typhoid Fever, Malaria, Rheumatism, Neuralgia, Lumbago, Asthma, Whooping Cough, Measles, Small Pox, Scarlet Fever, Catarrh, and all heavy or lingering coughs and colds.

FENOSOTE OINTMENT

Quickly relieves pain, tenderness and inflammation and sterilizes the parts to which applied. Rapidly heals all cuts and wounds, whether poisoned or not. ## SENATOR PHELAN WRITES ABOUT BASE HOSPITAL

Senator James D. Phelan sent a letter to the board of supervisors on Monday last regarding the Base Hospital. He also sent a reply from Assistant Secretary of the Treasury J. H. Moyle which is self-explanatory. It is as follows:

Mrs. Elizabeth M. Nash, Redwood City.—Under date of July 15th, you wrote me expressing opposition to the permanent establishment at Palo Alto of a United States Public Health Hospital for the care and treatment of the sick and disabled persons discharged from the military service.

I placed your protest, as well as the protest of others received, before the Treasury Department, which since that time has been giving the matter attention.

I am now in receipt of a letter from Assistant Secreta., Moyle, dated April 6th, going fully into the matter. I send you a copy of this letter for your information and remark.

Very truly yours,
JAMES D. PHELAN.

Washington, April 6.—Hon. James D. Phelan:.. The army base hospital at Palo Alto, California was transferred to the Public Health Service by the War Department in accordance with Public Act 226 to be used as a hospital for the care and treatment of sick and disabled discharged from military forces. On August 6, 1919 you forwarded to the Surgeon General protests from the Right Reverend Edward J. Hanna, Archbishop of San Francisco, the Menlo Oaks Improvement Association and the Board of Supervisors of San Mateo county, against the establishment of a permanent hospital at Palo Alto. In defense to these protests the Public Health Service has endeavored to obtain other buildings to use as hospitals for the care of these patients in order that the hospital at Palo Alto might be abandoned and the building salvaged. It has been found however, impossible to get such buildings, with the exception of a hotel at Arrow Head Springs, which is capable of holding only two hundred patients, and the Surgeon General informs me that it is absolutely impossible to abandon this hospital at Palo Alto as there are no other buildings that he can find in which those patients can be placed.

I enclose a copy of a resolution passed by the Chamber of Commerce of Palo Alto in which this body strongly favors the maintaining of this hospital at its present location. There are, at present 482 patients in this institution, and I would be greatly obliged to you if you would kindly take this matter up with the Archbishop of San Francisco, and other persons who have sent protests against the government using this hospital, as I feel that if they were aware of all the facts in the case, and that it is impossible for the government to obtain hospital accommodations elsewhere in California, that the persons who have objected will withdraw their objections and will be willing for the hospital to remain.

The Public Health Service has a number of hospitals situated in fine residential districts, and no objection ha sever been received from persons living in the adjoining neighborhood to the operation of such hospitals, nor has it been claimed that the value of the surrounding land has been adversely effected thereby.

Furthermore, should this property be acquired and a permanent hospital built on the site of the present temporary buildings, the government would save from one hundred to one hundred and fifty thousand dollars in the underground improvements, such as water pipes, fire portection, sewerage, etc. The heating plant also would be of value on its present location, but practically worthless if removed to another location; and the same would be true of many other items of construction values.

Sincerely yours,
J. H. MOYLE.

Six hundred thousand of Japan's 2,000,000 operatives are women and girls, and some 300,000 are from ten to eighteen years of age. This is one of the reasons why the Interchurch World Movement has mapped out an educational program which, during the next five years, will help the Japanese government solve some of its problems.

The cost of living in Tokyo is greater than in New York or London. There are frequent strikes, and increased suffering and discontent mark Nippon's industrial world. Working hours are excessive.

The Protestant churches which are cooperating in the new world program believe that one way of working for the children is to enlarge the churches' educational program. A part of this project, too great for any single denomination, is the establishment of a Japanese Christian university.

## Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Menlo Parlor, N. D. G. W., will give a card party in Native Sons' Hall on May 19. Good prizes.

Anyone desiring Chautauqua tickets for the series of entertainments at Redwood City the latter part of May can secure them from D. E. O'Keefe.

Fire Commisisoner A. G. C. Hahn will soon leave on a trip to Honolulu. He will be absent for two months.

Charles McCrystle, a former resident of Menlo Park, passed away in San Francisco last Sunday. His son, Edward McCrystle, at one time conducted a tailoring establishment here. His faithful wife, who had been his helpmate for 65 years, predeceased him about a year ago. He never recovered from the shock. Mr. McCrystle was in his 89th year. He came to America at the age of 14 years, residing first in Maine and coming to California in 1876. He was the father of James E., William H. of Vallejo; Louis A., Robert A. and Lucy McCrystle and Mrs. William M. Duff of San Luis Obispo, and the late John P., Charles F. and Alfred P. McCrystle.

Mrs. Charles Woods of Atherton, Mrs. John F. Merrill of Menlo Park and Mrs. Wood C. Baker and Miss Niemeyer of San Mateo were among those from this county who attended the convention of the California conference of social agencies held at Riverside May 5 to 8. Mrs. Woods is president of the county social service commission; Mrs. Merrill is a prominent social service worker; Mrs. Baker has been at the head of the home service work of the Red Cross in this county, and Miss Niemeyer is the visiting nurse of the welfare and public health service.

Mrs. F. H. Thompson of Redwood City, widow of the late Frank Thompson, the well known butcher, has purchased the old Dr. Stollard home on Glenwood avenue. The sum of $7000 was paid for the property. Mrs. Thompson will soon leave for her old home in England with her family and on her return will occupy the place.

John W. Gale, a former resident of Menlo Park, passed away in San Francisco last Sunday morning after a long illness. He was the son of Mary Gale and the late Edwin Gale, who died here some years ago, and a brother of Miss Mary E. Gale. He was a native of Arizona, aged 23 years. The young man entered the army when the war broke out and was sent to Texas, where he contracted a cold that brought on pneumonia. Before going to the city he was located at the base hospital here after leaving the army. Mr. Gale was raised in Menlo Park and had many friends here.

Miss Genevieve McEvoy will graduate as a full-fledged nurse from the Lane hospital in San Francisco next Monday. A reception is to be tendered the graduates of the institution at the Century Club in the evening. Miss McEvoy is the youngest daughter of Mr. and Mrs. P. H. McEvoy of Menlo Park.

The necessity of united action in regard to cutting and cleaning off the rank spring growth of weeds and grasses now flourishing on the drives and amid the graves of Holy Cross cemetery at Menlo Park should appeal to the people of Redwood City, Menlo Park, Mayfield, Palo Alto and Portola, whose departed dear ones rest therein. Aside from this slight tribute to those who have gone before, it is imperative that steps be taken to ward off the danger of fire that becomes a constant menace as the summer season aprpoaches. To further this worthy object there will be a meeting at the resiednce of J. P. Doyle Monday, May 17, at 8 p. m., to which the residents of Menlo Park and vicinity interested in this worthy object are respectfully invited.

Ray Daley of Burlingame, but formerly of Menlo Park, was operated upon at the Mount Zion Hospital in San Francisco last Monday. Mr. and Mrs. MacBain visited him yesterday and report that he is progressing nicely and will soon be convalescent.

J. E. Bennett and family departed during the week to reside permanently in San Francisco. They have closed their beautiful home on Santa Cruz avenue.

Mrs. John Hetzel has arrived in her girlhood home in England, where she will remain several months before returning home.

About 150 of the wives of the delegates of the foreign trades council that is now meeting in the city were entertained here on Thursday. Mrs. J. L. Flood entertained 50 at her home, while 100 were received at the home of Mrs. Joseph A. Donohoe. The visitors were shown all points of interest here and went away delighted with Menlo Park and vicinity.

# Announcement

Having purchased the PALACE MEAT MARKET on Main street, Redwood City, from Thomas Tpite, we will be in charge of the shop on Monday next with a big supply of choice meats... The market will be run on a cash basis, no delivery... We will divide the money thus saved with our patrons... It will be our aim to divide our profits with our customers... We guarantee the very best service... We want your business and only ask for a trial... The patronage of the public is solicited.

# The "thrift line"

"There'll be bread lines in three years unless the people soon stop their reckless extravagance and join the thrift lines at the savings banks," said a prominent authority on financial and trade conditions recently.

Good times will not continue indefinitely. Those who do not save today will suffer keenly when production again exceeds demand.

Don't get caught! Join the mighty thrift line of Bank of Italy depositors—190,000 strong!
